First PASC Luncheon of 2012 – Register Now

“Three Keys to Investor Success Right Now” – a timely topic presented on behalf of Jeff Evans, CFP, Senior Financial Planner with Assante Financial Management. The challenges investors faced in 2011 will likely persist well into 2012. This presentation will examine three strategies that every investor should consider.

Jeff Evans has been providing families with holistic financial planning advice for the past 16 years. Jeff has appeared many times on local radio programs (QR77, AM1060) as well as Garth Turner's "Investment Television" program. Jeff resides in Calgary with his wife Paula and children Josh, and Alexandra.

Date: Wednesday, February 15, 2012

Time: 12:00 noon to 1:00 pm

Location: Fairmont Palliser Hotel, 133 - 9th Avenue SW

Cost: \$40 for Members, \$45 for Nonmembers

Come out and reconnect with your colleagues at the first PASC event of 2012. Online registration available by clicking [here](#).

13th Month Adjustments Course – Three Spots Remaining

There are still three spots remaining in the 13th Month Adjustments seminar taking place on February 24, 2012 at SAIT. This course is intended for individuals who have a few years of oil and gas experience and are looking to increase their knowledge in doing 13th month adjustments. Further information on the seminar and online registration are available by clicking [here](#).

Congratulations to the Latest PASC Scholarship Recipient

PASC wishes to recognize Nataliya Oleksiv, a student in SAIT's Business Administration program for being presented with the 2011/2012 Petroleum Accountants Society of Canada Award. Congratulations!!
